

Late Breaking IMPACT Session

Frontiers in Organ Donation

Sunday, May 31, 2020
11:40 AM – 12:55 PM

Session Objectives:

- 1: To better understand the challenges involved in research and innovations involving donors and decedents.
- 2: To be informed about major advancements in donation after cardiac death.
- 3: To become aware of how new laws governing end of life care effect donation.

Moderators:

Robert Montgomery, MD, PhD, New York University Langone Transplant Institute, New York, NY, USA

Joshua Mezrich, MD, University of Wisconsin School of Medicine & Public Health, Madison, WI, USA
