

### CONTROVERSIES IN TRANSPLANTATION - Clinical

## Addressing the Organ Shortage: *Answers from Home and Abroad*

Sunday, May 31, 2020  
2:25 PM – 3:10 PM ET

#### Session Objectives:

1. To discuss the advantages and effects of European assumed consent policies on transplantation rates
2. To review the practical and cultural barriers to presumed consent in organ donation in the US.
3. To discuss ways of using marginal and older donors to expand the donor pool following the French and Eurotransplant senior models.

#### Moderators:

**Susan Orloff, MD**, Oregon Health and Science University, Portland, OR, USA

**Deirdre Sawinski, MD**, Hospital of the University of Pennsylvania, Philadelphia, PA, USA

#### 2:25 PM – 2:35 PM

**Qui Transtulit Sustinet: The French and Euro Transplant Approach**

**Peter Reese, MD, PhD**, University of Pennsylvania, Philadelphia, PA, USA

#### 2:35 PM – 2:45 PM
