

# ATC 2021

## Examples of Session Layouts

### SUNRISE SYMPOSIUM

#### 1) Didactic Sunrise Symposium - Q&A Didactic

**3 Talks 20 minutes each with 5 minutes Q & A each**

**Session Title:** Tissue Engineering in Transplantation

**Session Time:** 7:00am-8:15am

**7:00am-7:20am** Tissue Biofabrication for Transplantation- DOD Perspective

**7:20am-7:25am** Q&A

**7:25am-7:45am** Advanced Regenerative Manufacturing Institute: Technologies to Make the Tissue of Tomorrow

**7:45am-7:50am** Q&A

**7:50am-8:10am** Manufacturing a New Population of Cell Types for Organ Engineering and Transplantation

**8:10am-8:15am** Q&A

#### 2) Interactive Sunrise Symposium - Pro-Con Debate

**1 Talk 20 minutes to set the stage**

**2 Talks 15 minute each – Pro & Con**

**2 Rebuttals 5 minutes each – Pro & Con**

**1 Q&A 15 minutes**

**Session Title:** Non-Tuberculous Mycobacteria in Lung Transplant Recipients

**Session Time:** 7:00am-8:15am

**7:00am-7:20am** Epidemiology and Management of Non-Tuberculous Mycobacteria in Lung Transplant Recipients

**7:20am-7:35am** Debate- Pro: Mycobacterium Abscessus and Lung Transplant: To Transplant or Not to Transplant

**7:35am-7:50am** Debate- Con: Mycobacterium Abscessus and Lung Transplant: To Transplant or Not to Transplant

**7:50am-7:55am** Debate-Pro: Rebuttal

**7:55am-8:00am** Debate-Con: Rebuttal

**8:00am-8:15am** Q&A

## MIDDAY SYMPOSIUM

### 1) Interactive Midday Symposium - Panel

**4 Talks 20 minutes each**

**1 Panel discussion 15 minutes**

**Session Title:** Renal Issues in Cardiac Transplantation

**Session Time:** 11:15am-12:45pm

- 11:15am-11:35am** Assessing the Need for Heart Versus Combined Cardiac and Kidney Transplantation in Systolic Heart Failure Patients with Chronic Kidney Disease: A Transplant Cardiologist's Perspective
- 11:35am-11:55am** Assessing the Need for Heart Versus Combined Cardiac and Kidney Transplantation in Systolic Heart Failure Patients with Chronic Kidney Disease: A Transplant Nephrologist's Perspective
- 11:55am-12:15pm** Timing of Renal Transplantation After Cardiac Transplantation in Listed Heart and Kidney Recipients
- 12:15pm-12:35pm** Renal Protective Strategies After Cardiac Transplantation
- 12:35pm-12:45pm** Panel Discussion

### 2) Interactive Midday Symposium - Pro-Con Debate – 2 Options

#### Option # 1

**1 Talk 20 minutes to set the stage**

**2 Talks 15 minute each – Pro & Con**

**2 Rebuttals 10 minutes each – Pro & Con**

**1 Q&A 20 minutes**

#### Option # 2

**2 Talks 20 minute each – Pro & Con**

**2 Rebuttals 15 minutes each – Pro & Con**

**1 Q&A 20 minutes**

**Session Title:** Controversies in KPD

**Session Time:** 11:15am-12:45pm

- 11:15am-11:35am** Debate - Pro: Family Vouchers: Expanding Kidney Transplantation and the Next Great Thing!
- 11:35am-11:55am** Debate - Con: Family Vouchers: Coercion and the End of Non-Directed Donation!
- 11:55am-12:10pm** Pro: Rebuttal
- 12:10pm-12:25pm** Con: Rebuttal
- 12:25pm-12:45pm** Q&A

### **3) Didactic Midday Symposium**

**3 Talks 20 minutes each with 10 minutes Q & A each**

**Session Title:** T Cell Mediated Rejection: Where are we in 2019?

**Session Time:** 11:15am-12:45pm

**11:15am-11:35am** Borderline Rejection After Kidney Transplantation - Is it Borderline?

**11:35am-11:45am** Q&A

**11:45am-12:05pm** Impact of HLA Epitope Matching on T-Cell Mediated Rejection

**12:05pm-12:15pm** Q&A

**12:15pm-12:35pm** Cross Talk Between B and T Cells and its Influence on TCMR

**12:35pm-12:45pm** Q&A
