

**2021 American Transplant Congress**  
*CME and MOC FAQs*

**Q: How do I get CME credit?**

**A: You will receive an email containing instructions and a link to claim CME at the conclusion of the meeting.** This email will be sent to the address used when you registered for ATC.

You can also access the claiming platform via this link and log in with your 2021 ATC badge ID number:  
<https://ASTS.planion.com/Z?253875038>

**Q: What's the deadline to claim CME and MOC?**

**A:** The deadline to claim credit is **June 1, 2022**. You will receive reminder emails leading up to the deadline. Please note that the system will close after June 1, 2022 and you will no longer be able to claim CME or MOC credit.

**Q: What if I want a certificate of attendance?**

**A:** Certificates of attendance are available in the CME claim system under the "My Certificates" tab. You must first fill out the overall evaluation to obtain a certificate of attendance.

**Q: I've never used the system before – what's the process?**

1. Fill out the Overall Evaluation. Click the Evaluate button next to the Overall Evaluation. After evaluating, a check mark will appear indicating that your evaluation has been posted.
2. Click on the "All Sessions" tab at the top of the page and add the sessions you attended to your "My Sessions" list by clicking the star next to each session you attended.
3. Enter your credits. To claim credits, hover over the gray CME box next to each course you attended. Indicate the credit amount commensurate with your participation in each session.
4. Claim MOC credits. To claim MOC for a session, click on the blue "MOC Test" button to the left of the eligible session and answer the post-test questions. Once you have successfully passed the post-test, a blue box will appear around the credits indicating the amount that counts toward MOC. A list of eligible MOC sessions is linked at the top of the claiming platform website.
5. Click the My Certificates tab to download your CME and attendance certificates
6. Click the Logout tab above to logout when finished.

**Q: Which presentations are eligible for MOC at the 2021 American Transplant Congress?**

**A:** Please check the ATC website <https://atcmeeting.org/accreditation> for full list of sessions available for American Board of Surgery (ABS), American Board of Internal Medicine (ABIM), and American Board of Pediatrics (ABP) MOC. Not all sessions are eligible for MOC credit; we ask that you review the lists of eligible sessions carefully and choose your session attendance based on the type of MOC credit you are looking for.

**Q: How do I get MOC credit?**

A: For presentations that are eligible for MOC credit, you must complete the post-test associated with that session. Within the CME claim system, click on the blue “Post Test” box to the left of the session name and answer the questions. Upon passing the Post Test, a blue box will appear around the credits indicating the credit amount that counts towards MOC. If you do not complete the post-tests for MOC eligible sessions for which you claim CME credit, you will not be awarded MOC credit.

Please note, if you are claiming MOC points towards the **American Board of Internal Medicine (ABIM)** requirements, you must include your 6-digit ABIM ID number and your date of birth (MM/DD) on the online evaluation for the conference, or you will not be awarded your MOC points. If you do not know your 6-digit ABIM ID, you can look it up on the ABIM website.

Please note, if you are claiming MOC points towards the **American Board of Pediatrics (ABP)** requirements, you must include your ABP ID number and your date of birth (MM/DD) on the online evaluation for the conference, or you will not be awarded your MOC points. If you do not know your ABP ID number, you can look it up on the ABP website.

**Q: What if I want other types of CE credit?**

A: Nursing, pharmacist, and transplant coordinator continuing education credits are available at ATC 2021. A link to the credit claiming platform for these types of CE credit will be included in the credit claiming email that is sent out at the conclusion of the conference on Wednesday, June 5, 2021. Instructions to receive nursing, pharmacy, and transplant coordinator credits are also included below.

1. Go to <http://atc.cmecertificateonline.com>
2. Click on the “American Transplant Congress 2021” link.
3. Complete & submit the evaluation, be sure to click the certificate link on the last page.
4. Save/Download/Print all pages of your certificate for your records.

**Q: What if I have a question about CME or MOC?**

A: Send us an email at [education@asts.org](mailto:education@asts.org)
