- This activity has been approved by the American Board for Transplant Certification (ABTC) for up to 21.00 Category 1 Continuing Education Points for Transplant Coordinators (CEPTCs). Approval Number: #1000-04.

### Objectives - After Attending This Program You Should Be Able To

1. To provide a forum for exchange of new scientific and clinical information relevant to solid organ and tissue transplantation.
2. To create an arena for the interchange of ideas regarding care and management of organ and tissue transplant recipients.
3. To facilitate discussions of socioeconomic, ethical, and regulatory issues related to solid organ and tissue transplantation.

### Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1--6.2, 6.5)

All individuals in a position to control the content of CE are listed in conference materials/on the website. If their name is not listed below, they disclosed that they had no financial relationships with a commercial interest or their relationship was found to not create a conflict. Only those relationships found to create a conflict are listed below and where a conflict exists, no credit is offered for related sessions.
